Re: OPIC v /Gerwe
12 CV 5833(RA)

Dear Judge Abrams:

I am the attorney for OPIC, Plaintiff in the above referenced action assigned to your docket. Your memo endorsed order dated September 21, 2012 directed the parties to file a joint status letter and proposed scheduling order by November 9, and to appear by phone for an initial status conference on November 15.

I have been contacted by Adam Rader of the firm of Anderson, Kill & Olick, attorneys for the defendant, who indicated his office was severely affected due to the storm so we have been unable to confer on the requested documents as of this date. Also, I was recently advised that an out of town hearing that was canceled last week due to the storm has been rescheduled to the 15th.

I am therefore requesting a further extension of the date for the submission of the status letter, case management plan and scheduling order to November 21, with an initial telephone conference scheduled thereafter at the convenience of the court.

I have communicated with Mr. Rader and he consented to this request.

Thank you for your consideration.

Very truly yours,

/s/Linda T. Taverni

SO ORDERED.
